The **Huron Lady II** is perfect for almost any gathering including corporate parties, anniversaries, birthdays, church and club outings, family and class reunions, as well as small weddings. You'll enjoy having the entire vessel with just your invited guests on board. You and your guests will enjoy the ever-changing water view during your special event. We offer private charters as "Boat Only" or we can custom design your cruise to include food, beverage, and entertainment.

The **Huron Lady II** is a 73-foot excursion boat with two decks and a capacity of 100. The covered top deck features a panoramic view while the climate-controlled cabin on the main deck has large windows with seating for 60. The Huron Lady II is inspected annually by the U.S. Coast Guard. She is certified to carry up to 100 passengers and is able to seat 50-60 inside for dinner. Additional picnic tables are available on the covered (but not enclosed) top deck. We recommend limiting the guest list to 60 for lunch & dinner and 100 for hors d'oeuvres (or less depending on the time of year, or other considerations). Ask us for our recommendation. You and your guests will be served by an experienced and friendly crew under the command of a U.S. Coast Guard licensed captain.

Our expert caterer can provide dinners, lunches, and appetizers to fit your taste and budget. All buffets are "Help Yourself" and beverages are served from the bar. Additional servers are available at additional cost of \$25.00 each per cruise hour. Beverages and snacks are available for purchase onboard. We have a music system available with SiriusXM radio or an mp3 player if you wish to bring your own music. Call today to reserve your cruise date!
